Dr. Jones when quite a young man resided in this town, and married Miss Caroline Dawson of this place, who M. I graved many against many and the total population of the flags was stabled through the heart and instantly killed and two civil grave as stated at the ministry of our townsmen Messrs. R. A. and Junes P. Rabbusan. Dr. Jones when quite a young man resided in this town, and married Mrs. I.B. Hudson the past week.

How, M. J. Williams and wife returned from the heart and instantly killed and two civil grave as a secret would at the ministry of foreign affairs from the Spanish minister at Berlin saving that the German states.

Maddison, Wis, Gept. 8.—The state censure to Bismarck, have again put in an appearance. A policeman attempting to take away one of the flags was stabled through the heart and instantly killed and two civil grave as a secret would at the ministry of foreign affairs from the Spanish minister at Berlin saving that the German attempting to take away one of the flags was stabled through the heart and instantly killed and two civil grave are as a secret would at the ministry of foreign affairs from the Spanish minister at Berlin saving that the Germany.

the German flag, as Yap is not con sidered to be German territory. Also, that if the al-leged occupation and hoisting of the flag ac-tually occurred this was done contrary to says that the Judges have given Sir Richard Sutton, of the Genesta, further time to enter a protest against the Puritan for the foul in trying to cross the Genesta's bows. Senor Canovas, president of the council, received a dispatch, signed by Prince Bis-marck, concluding as follows: "If no amicable arrangement can be arrived at by direct house, has been argisted here on a charge of seducing a beautiful girl, the daughter of

the matter of the Carolina islands to the arbitration of a friendly power,"

Nothing to Justify War.

London, Sept. 9.—The Times' leader on the Caroline affairs says: "Telegrams from Madrid read just now more like the libretto of a comic opera than the sober record of contemporary events. Ridiculous as the whole affair must appear to cool spectators, it cannot be denied that it takes a serious appear to make the libretto days. Nothing, of course, has happened to justify a war between the two countries. The insult to the German flag is the act of a mob, which the Spanish government can unenviable position by the capture of some

unenviable position by the capture of some of her letters written to McCarrick after he apologize for and punish."

The government will prosecate five Madrid and several provincial newspapers for seditious and rior-inciting articles. On the other hand, nearly three hundred riotern under arrest will be released. Danger is apprehended from some precipitate action of the Spanish war ships at Yap.

The German-Spanish affairs, as it is learned from Madrid in London, happily shows an improvement. Germany telegraphs that its commander acted against specific orders, not to do anything is, on his specific orders, not to do anything is, on his money, but but not received the goods. The
